BEAUTY DYNASTYA

LASH

OFFICIAL LASH REGULATIONS

Competition rules, judging criteria & photo guide

SEASON 2026 / 2027

CHAMPIONSHIP AT A GLANCE

Choose the appropriate nomination and experience division, register with the organizers, and follow the photo requirements for your technique.

SUBMISSIONS CLOSE	JUDGING	RESULTS
01 FEB 2027	**05–20 FEB** 2027	**25 FEB** 2027

TEN LASH NOMINATIONS

01 CLASSIC LASH EXTENSIONS	**02 2D VOLUME**
03 3D VOLUME	**04 4–6D VOLUME**
05 COLOURED LASH EXTENSIONS	**06 L OR M CURL**
07 CREATIVE LASH EXTENSIONS	**08 AGE-SPECIFIC LASH EXTENSIONS**
09 LASH LIFT / LAMINATION	**10 KOREAN LASH LIFT**

Extensions: 6 BEFORE + 16 AFTER photos, video up to 30 seconds; volume: additional photo of 10 fans. See pages 5 and 7.

Entry fee: €50 per nomination. You may enter more than one nomination.

EXPERIENCE DIVISIONS

State your actual experience in the specific technique. Experience starts with professional practice after basic training.

JUNIOR — under 1.5 years of professional practice

MASTER — from 1.5 up to 3 years

SENIOR MASTER — 3 years or more

WHO MAY ENTER

- Qualified lash artists from any country; the competition is fully online.
- You may enter several nominations; each submission is registered separately.
- Previously submitted competition work is allowed if it is your own and complies with these rules.
- Obtain the model’s consent for photography and publication of the results.

REGISTRATION

- Send your full name, country, chosen nominations and years of experience.
- Confirm the participation fee and payment method with the organizer.
- Prepare the photos and video and submit before the deadline.

AUTHORSHIP, FAIRNESS & SAFETY

All entries must be the artist's genuine work and must be suitable for objective judging.

- Do not use another artist's images, falsely claim authorship, or submit manipulated work.
- No retouching, beauty filters, digital lash enhancement, AI edits, deceptive composites or watermarks.
- Use professional materials and safe methods; account for the model's eye health and sensitivities.
- Do not show identifiable artist names, salon logos or social media accounts in judged files.
- The organizers may ask for original files. Serious violations may result in disqualification.

Extensions: 6 BEFORE + 16 AFTER photos, video up to 30 seconds; volume: additional photo of 10 fans. See pages 5 and 7.

BEFORE AND AFTER PHOTOS

For lash extension nominations: 22 photographs of one work.

BEFORE: 6 photographs

1 photo: full face with both eyes visible, passport-style portrait. 2 photos: each eye separately, looking straight into the camera. 2 photos: each eye separately, looking up. 1 photo: full face, eyes closed, patches under the lashes.

AFTER: 16 photographs

1. 1 photo: full face with both eyes visible, passport-style portrait.
2. 1 photo: full face, eyes closed, patches under the lashes; the model is lying down.
3. 2 photos: a close-up of each eye, looking straight into the camera.
4. 2 photos: each eye separately, looking up; lash bases clearly visible.
5. 6 photos of the distance from the eyelid with patches: 3 per eye (inner corner, outer corner, centre). Stretch and cover the mobile eyelid; stretch all corners. Hold the eyelid with tape or fingers. Photograph from above the eyelid.
6. 2 close-ups of inner corners. Eyes open, looking up and sideways: up and left for the left eye; up and right for the right eye. Focus on the inner corner.
7. 2 photos of outer corners. Eyes open, looking up. Skin may be gently stretched with a finger. Show the inside of the outer corner and the lashes worked there clearly.

Sharp originals, without retouching or filters. Later photo examples show selected views and do not replace the complete required set.

JUDGING & AWARDS

Judging is anonymous and takes place from 5 to 20 February 2027 in a multilingual application.

Assess each criterion using its nomination’s scale and table; subtract penalties. Judges provide comments.

- Results are announced on 25 February 2027 on the championship’s official channels.
- First, second and third places follow the highest eligible scores; an entry does not guarantee an award.

LASH GRAND PRIX — €250

Artists who enter at least three nominations may compete for the Grand Prix. The organizers compare the top eligible results and technical quality.

RESULTS

Participants receive digital certificates; winners’ trophies and shipping follow the registered package terms.

Entry fee: €50 per nomination. You may enter more than one nomination.

VIDEO, FANS AND WORKSHEET

Finished-work video: up to 30 seconds

Film the inner and outer corners of both right and left eyes. Show coverage in all corners. Maximum length: 30 seconds. Smooth filming, no filters or editing.

Fans for all volume techniques

Make 10 fans yourself using lengths used in the work: 7 in the main length and 3 in a short length. Photograph on a white tissue or paper, or attach to a sponge. Submit this photo in addition to the 22 work photos. Required for all volume work, including coloured, creative, age-specific and L/M work performed in volume. Not required for classic 1:1 or lash lifts.

Worksheet

The worksheet may be handwritten or typed. State nomination, experience division, work number, volume, effect, materials and initial lash condition. Include a mapping scheme for extensions.

Lash lift and Korean lash lift

For both lift nominations: at least 5 photos (at least 1 BEFORE and 4 AFTER), showing both eyes, each eye separately, lift, direction and corners; video up to 30 seconds. Extension-distance photos and fan samples are not required.

Scoring by nomination

Each nomination has its own criteria, scales and maximum. Final score is the sum minus penalties; judges provide comments. Grand Prix comparisons use the proportion of the maximum score achieved in each nomination.

CLASSIC LASH EXTENSIONS

1:1 technique: one extension on one natural lash.

№	Criterion	Points	Explanation
1	**Eye styling**	1–10	The effect suits the model; initial asymmetry is considered and visually corrected. Assess the difficulty of the starting conditions and the correction achieved.
2	**Cleanliness**	1–10	No lint, patch or marking residue, makeup, excess glue or dirt in the corners or on the eyelid. Deduct 1 point for each impurity within this criterion.
3	**Length**	1–5	Extensions are no more than 2 mm longer than natural lashes; matching the natural length is allowed. Maximum length: 11 mm. Shorter lengths are preferred.
4	**Thickness**	2–5	mm / points: 0.10 → 2; 0.085 → 3; 0.07 → 4; 0.05 → 5
5	**Colour**	1–5	Suitability for the model’s colouring. All shades of black and brown and their combinations are allowed.
6	**Overall direction**	1–10	Symmetry of direction between the right and left eyes.
7	**Direction between lashes**	1–5	Lashes are parallel, without crossing or twisting.
8	**Smooth transitions**	1–10	Smooth transitions between lengths and zones; no unintended steps.
9	**Distance from the eyelid**	1–5	Uniform distance of 0.3–0.8 mm. Maintain the selected distance throughout the lash line. Minor deviation: −0.5 point; significant deviation: −1 point within this criterion.
10	**Inner-corner coverage**	1–5	Assess the first 5 lashes of each eye.
11	**Outer-corner coverage**	1–5	Assess the last 5 lashes of each eye.
12	**Coverage**	1–5	Full coverage of lashes suitable for extension, except lashes 1 mm long. Deduct 1 point per missed lash within this criterion.
13	**Redness of the eye mucosa**	−1…−5	Visible redness: deduct 1–5 points; no redness: 0. Subtract from the total.
14	**Overall impression**	1–10	Coherence, neatness and expressiveness of the finished work.

Maximum: 90 points before penalties. Final score: total points minus the redness penalty.

2D VOLUME

Two extensions in each fan.

№	Criterion	Points	Explanation
1	**Eye styling**	1–10	The effect suits the model; initial asymmetry is considered and visually corrected. Assess the difficulty of the starting conditions and the correction achieved.
2	**Cleanliness**	1–10	No lint, patch or marking residue, makeup, excess glue or dirt in the corners or on the eyelid. Deduct 1 point for each impurity within this criterion.
3	**Length**	1–5	Extensions are no more than 2 mm longer than natural lashes; matching the natural length is allowed. Maximum length: 11 mm. Shorter lengths are preferred.
4	**Thickness**	2–5	mm / points: 0.10 → 2; 0.085 → 3; 0.07 → 4; 0.05 → 5
5	**Colour**	1–5	Suitability for the model’s colouring. All shades of black and brown and their combinations are allowed.
6	**Overall direction**	1–10	Symmetry of direction between the right and left eyes.
7	**Direction between lashes**	1–5	Lashes are parallel, without crossing or twisting.
8	**Smooth transitions**	1–10	Smooth transitions between lengths and zones; no unintended steps.
9	**Distance from the eyelid**	1–5	Uniform distance of 0.3–0.8 mm. Maintain the selected distance throughout the lash line. Minor deviation: −0.5 point; significant deviation: −1 point within this criterion.
10	**Inner-corner coverage**	1–5	Assess the first 5 lashes of each eye.
11	**Outer-corner coverage**	1–5	Assess the last 5 lashes of each eye.
12	**Coverage**	1–5	Full coverage of lashes suitable for extension, except lashes 1 mm long. Deduct 1 point per missed lash within this criterion.
13	**Redness of the eye mucosa**	−1…−5	Visible redness: deduct 1–5 points; no redness: 0. Subtract from the total.
14	**Fan base**	1–5	Fine, neat bases; consistent stems and clean fan construction.
15	**Fan opening**	1–5	Even opening, symmetry and consistent fan geometry for the chosen volume.
16	**Overall impression**	1–10	Coherence, neatness and expressiveness of the finished work.

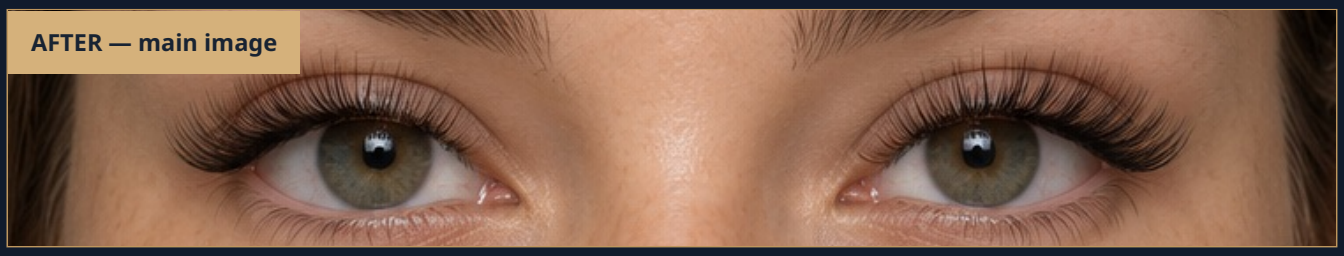

Maximum: 100 points before penalties. Final score: total points minus the redness penalty.

COLOURED LASH EXTENSIONS

The colour composition follows the artistic concept.

№	Criterion	Points	Explanation
1	**Eye styling**	1–10	The effect suits the model; initial asymmetry is considered and visually corrected. Assess the difficulty of the starting conditions and the correction achieved.
2	**Cleanliness**	1–10	No lint, patch or marking residue, makeup, excess glue or dirt in the corners or on the eyelid. Deduct 1 point for each impurity within this criterion.
3	**Length**	1–5	No maximum length restriction. Lengths and combinations follow the artistic concept and design.
4	**Thickness**	2–5	mm / points: 0.10 → 2; 0.07 → 5
5	**Overall direction**	0–10	Symmetry of direction between the right and left eyes.
6	**Direction between lashes**	0–5	Lashes are parallel, without crossing or twisting.
7	**Smooth transitions**	0–10	Smooth transitions between lengths and zones; no unintended steps.
8	**Distance from the eyelid**	0–5	Uniform distance of 0.3–0.8 mm. Maintain the selected distance throughout the lash line. Minor deviation: −0.5 point; significant deviation: −1 point within this criterion.
9	**Inner-corner coverage**	0–5	Assess the first 5 lashes of each eye.
10	**Outer-corner coverage**	0–5	Assess the last 5 lashes of each eye.
11	**Coverage**	0–5	Full coverage of lashes suitable for extension, except lashes 1 mm long. Deduct 1 point per missed lash within this criterion.
12	**Redness of the eye mucosa**	−1…−5	Visible redness: deduct 1–5 points; no redness: 0. Subtract from the total.
13	**Fan base**	1–5	Fine, neat bases; consistent stems and clean fan construction.
14	**Fan opening**	1–5	Even opening, symmetry and consistent fan geometry for the chosen volume.
15	**Volume**	1–5	2D → 1; 3D → 2; 4D → 4; 5–6D → 5
16	**Overall impression**	1–10	Coherence, neatness and expressiveness of the finished work.
17	**Colour design**	1–10	Harmony of the colour composition, combinations, transitions and accents.
18	**Number of colours**	1–5	colours / points: 1 → 1; 2–3 → 2; 4 → 3; 5 → 4; 6+ → 5

Maximum: 115 points before penalties. Final score: total points minus the redness penalty.

L OR M CURL

The entire work must use either L curl or M curl. Mixing curls is not allowed in this nomination.

№	Criterion	Points	Explanation
1	**Eye styling**	1–10	The effect suits the model; initial asymmetry is considered and visually corrected. Assess the difficulty of the starting conditions and the correction achieved.
2	**Cleanliness**	1–10	No lint, patch or marking residue, makeup, excess glue or dirt in the corners or on the eyelid. Deduct 1 point for each impurity within this criterion.
3	**Length**	1–5	Extensions are no more than 2 mm longer than natural lashes; matching the natural length is allowed. Maximum length: 11 mm. Shorter lengths are preferred.
4	**Thickness**	1–5	mm / points: 0.07 → 1; 0.06 → 2; 0.05 → 3; 0.03 → 5
5	**Colour**	1–5	Suitability for the model’s colouring. All shades of black and brown and their combinations are allowed.
6	**Overall direction**	1–10	Symmetry of direction between the right and left eyes.
7	**Direction between lashes**	1–5	Lashes are parallel, without crossing or twisting.
8	**Smooth transitions**	1–10	Smooth transitions between lengths and zones; no unintended steps.
9	**Distance from the eyelid**	1–5	Uniform distance of 0.3–0.8 mm. Maintain the selected distance throughout the lash line. Minor deviation: −0.5 point; significant deviation: −1 point within this criterion.
10	**Inner-corner coverage**	1–5	Assess the first 5 lashes of each eye.
11	**Outer-corner coverage**	1–5	Assess the last 5 lashes of each eye.
12	**Coverage**	1–5	Full coverage of lashes suitable for extension, except lashes 1 mm long. Deduct 1 point per missed lash within this criterion.
13	**Redness of the eye mucosa**	−1…−5	Visible redness: deduct 1–5 points; no redness: 0. Subtract from the total.
14	**Fan base**	1–5	Fine, neat bases; consistent stems and clean fan construction.
15	**Fan opening**	1–5	Even opening, symmetry and consistent fan geometry for the chosen volume.
16	**Volume**	1–5	2D → 1; 3D → 2; 4D → 3; 5D → 4; 6D → 5
17	**Overall impression**	1–10	Coherence, neatness and expressiveness of the finished work.

Maximum: 105 points before penalties. Final score: total points minus the redness penalty.

CREATIVE LASH EXTENSIONS

Kim, spikes, eyeliner and wet-look effects. One experience division; three prize places.

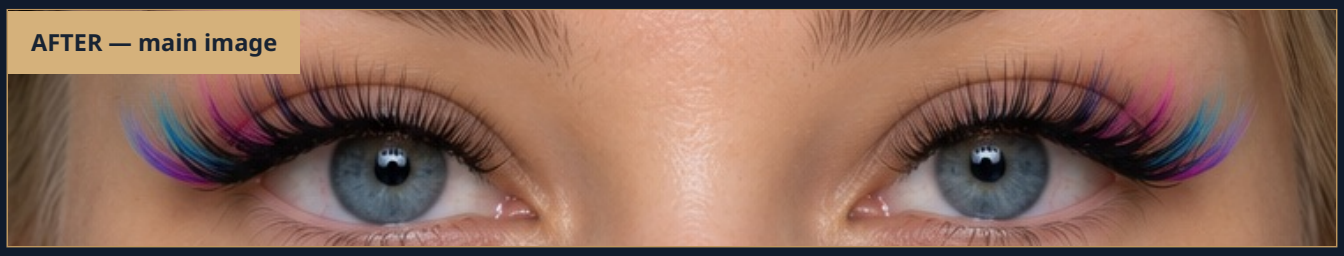

№	Criterion	Points	Explanation
1	**Eye styling**	1–10	The effect suits the model; initial asymmetry is considered and visually corrected. Assess the difficulty of the starting conditions and the correction achieved.
2	**Cleanliness**	1–10	No lint, patch or marking residue, makeup, excess glue or dirt in the corners or on the eyelid. Deduct 1 point for each impurity within this criterion.
3	**Length**	1–5	No length limit; the chosen lengths follow the design concept.
4	**Thickness**	1–5	mm / points: 0.10 → 1; 0.07 → 2; 0.06 → 3; 0.05 → 4; 0.03 → 5
5	**Overall direction**	1–10	Symmetry of direction between the right and left eyes.
6	**Direction between lashes**	1–5	Lashes are parallel, without crossing or twisting.
7	**Smooth transitions**	1–10	Smooth transitions between lengths and zones; no unintended steps.
8	**Distance from the eyelid**	1–5	Uniform distance of 0.3–0.8 mm. Maintain the selected distance throughout the lash line. Minor deviation: −0.5 point; significant deviation: −1 point within this criterion.
9	**Inner-corner coverage**	1–5	Assess the first 5 lashes of each eye.
10	**Outer-corner coverage**	1–5	Assess the last 5 lashes of each eye.
11	**Coverage**	1–5	Full coverage of lashes suitable for extension, except lashes 1 mm long. Deduct 1 point per missed lash within this criterion.
12	**Redness of the eye mucosa**	−1…−5	Visible redness: deduct 1–5 points; no redness: 0. Subtract from the total.
13	**Fan base**	1–5	Fine, neat bases; consistent stems and clean fan construction.
14	**Fan opening**	1–5	Open fans: even opening. For wet-look and spikes, assess closure and cohesion according to the chosen effect.
15	**Volume**	1–5	2D → 1; 3D → 2; 4D → 4; 5–6D → 5
16	**Overall impression**	1–10	Coherence, neatness and expressiveness of the finished work.
17	**Creativity**	1–10	Quality and expression of wet-look, eyeliner and spike effects and their creative combinations.
18	**Colour**	1–5	Black, brown and coloured lashes and their combinations are allowed.

Maximum: 115 points before penalties. Final score: total points minus the redness penalty.

AGE-SPECIFIC LASH EXTENSIONS

Model aged 45+. One experience division; three prize places. Proof of the model’s age may be requested.

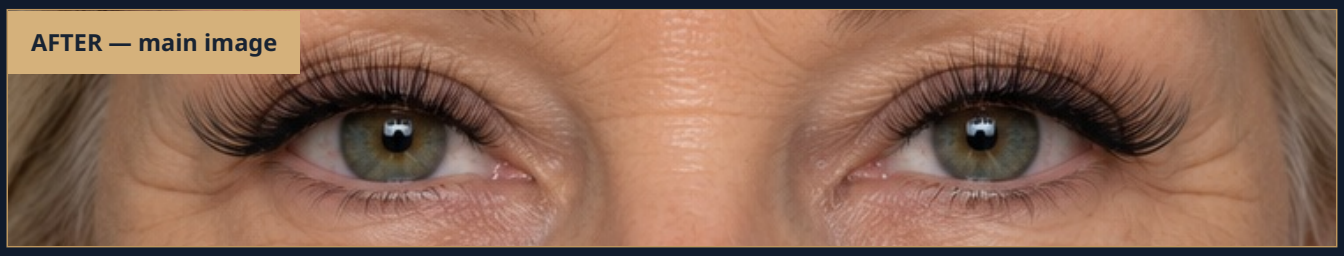

№	Criterion	Points	Explanation
1	**Eye styling**	1–10	The effect suits the model; initial asymmetry is considered and visually corrected. Assess the difficulty of the starting conditions and the correction achieved.
2	**Cleanliness**	1–10	No lint, patch or marking residue, makeup, excess glue or dirt in the corners or on the eyelid. Deduct 1 point for each impurity within this criterion.
3	**Length**	1–5	Extensions are no more than 2 mm longer than natural lashes; matching the natural length is allowed. Maximum length: 11 mm. Shorter lengths are preferred.
4	**Thickness**	2–5	mm / points: 0.10 → 2; 0.085 → 3; 0.07 → 4; 0.05 → 5
5	**Colour**	1–5	Suitability for the model’s colouring. All shades of black and brown and their combinations are allowed.
6	**Overall direction**	1–10	Symmetry of direction between the right and left eyes.
7	**Direction between lashes**	1–5	Lashes are parallel, without crossing or twisting.
8	**Smooth transitions**	1–10	Smooth transitions between lengths and zones; no unintended steps.
9	**Distance from the eyelid**	1–5	Uniform distance of 0.3–0.8 mm. Maintain the selected distance throughout the lash line. Minor deviation: −0.5 point; significant deviation: −1 point within this criterion.
10	**Inner-corner coverage**	1–5	Assess the first 5 lashes of each eye.
11	**Outer-corner coverage**	1–5	Assess the last 5 lashes of each eye.
12	**Coverage**	1–5	Full coverage of lashes suitable for extension, except lashes 1 mm long. Deduct 1 point per missed lash within this criterion.
13	**Redness of the eye mucosa**	−1…−5	Visible redness: deduct 1–5 points; no redness: 0. Subtract from the total.
14	**Overall impression**	1–10	Coherence, neatness and expressiveness of the finished work.

Maximum: 90 points before penalties. Final score: total points minus the redness penalty.

LASH LIFT / LAMINATION

Natural lashes are assessed; no extensions.

№	Criterion	Points	Explanation
1	**Eye styling**	1–10	Choose lift and curl to suit the model’s natural lashes and eye shape.
2	**Cleanliness**	1–10	No visible product, tint or dirt residue on lashes or skin.
3	**Root lift**	1–10	Even lift from the roots, without missed areas or an uneven result.
4	**Curl shape**	1–10	Smooth shape without kinks, overbending or curled tips.
5	**Overall direction**	1–10	Symmetry of direction between the right and left eyes.
6	**Lash separation**	1–5	Lashes are separated, not stuck together or crossed.
7	**Inner-corner coverage**	1–5	Even treatment of short lashes in the inner corners.
8	**Outer-corner coverage**	1–5	Neat lift and direction in the outer corners.
9	**Evenness of the result**	1–5	Consistent lift shape and smooth transitions along the entire lash line.
10	**Lash condition**	1–10	Visually intact lashes without visible damage or deformation.
11	**Redness of the eye mucosa**	−1…−5	Visible redness: deduct 1–5 points; no redness: 0. Subtract from the total.
12	**Overall impression**	1–10	Coherence, neatness and expressiveness of the finished work.

Maximum: 90 points before penalties. Final score: total points minus the redness penalty.

KOREAN LASH LIFT

Natural lashes and the result of the declared Korean technique are assessed.

№	Criterion	Points	Explanation
1	**Eye styling**	1–10	Compliance with the declared Korean method; shape adapted to the model’s starting conditions.
2	**Cleanliness**	1–10	No visible product, tint or dirt residue on lashes or skin.
3	**Root lift**	1–10	Even lift from the roots, without missed areas or an uneven result.
4	**Curl shape**	1–10	Smooth shape without kinks, overbending or curled tips.
5	**Overall direction**	1–10	Symmetry of direction between the right and left eyes.
6	**Lash separation**	1–5	Lashes are separated, not stuck together or crossed.
7	**Inner-corner coverage**	1–5	Even treatment of short lashes in the inner corners.
8	**Outer-corner coverage**	1–5	Neat lift and direction in the outer corners.
9	**Evenness of the result**	1–5	Consistent lift shape and smooth transitions along the entire lash line.
10	**Lash condition**	1–10	Visually intact lashes without visible damage or deformation.
11	**Redness of the eye mucosa**	−1…−5	Visible redness: deduct 1–5 points; no redness: 0. Subtract from the total.

Check: 6 BEFORE photos, 16 AFTER photos, corner video up to 30 seconds, additional photo of 10 fans for volume work, and completed worksheet.

Lash lift and Korean lash lift

For lifts: at least 5 BEFORE/AFTER photos and video up to 30 seconds. State technique, materials and initial lash condition.

Check nomination, experience division and work number. Show roots and corners sharply. No retouching, filters or author-identifying marks. Keep originals. Submit by 1 February 2027.

Where to submit

Upload to the official Beauty Dynastya website, email businesshelp11@yandex.kz or send via the organizers’ Telegram. Ask the organizers for the current upload link or Telegram contact.
